

## WORK EXPERIENCE

**01/15-Present**

**Critical Hit Design**

Owner - Designer/Artist

Freelance designer using the latest Adobe Creative Cloud and Microsoft Office programs to create print and digital pieces. I make print ready art and code HTML Email Blasts.

I create custom commissioned artwork.

**10/02-12/14**

**the idea house**

Digital/Senior Designer

Created, uploaded, and maintained digital artwork for clients as well as managed their online presence. Designed and coded HTML email blasts. Designed and produced printed materials; creating print ready art. Responsible for organizing and maintaining stock photos and client photos. I also managed client training and support for web sites.
